

2022 IEEE International Conference on Cyber Security and Resilience

Call for Papers

Important dates

Paper submission deadline:

~~March 18~~ April 22, 2022

Authors' notification:

~~April 15~~ May 13, 2022

Camera-ready submission:

~~May 6~~ May 27, 2022

Early registration deadline:

June 24, 2022

Conference dates:

July 27–29, 2022

The IEEE International Conference on Cyber Security and Resilience (IEEE CSR) is an annual event sponsored by the IEEE Systems, Man, and Cybernetics (SMC) Society. It focuses on theoretical and practical aspects of security, privacy, trust, and resilience of networks, systems (including complex Cyber-Physical Systems – CPS), applications, and services, as well as, novel ways for dealing with their vulnerabilities and mitigating sophisticated cyber-attacks. The IEEE CSR 2022 conference will be held as an **all-online virtual event**, during July 27–29, 2022.

Prospective authors are encouraged to submit previously unpublished contributions from a broad range of topics, which include but are not limited to the following:

Cyber security

- › Big data security
- › DLT/smart contract security
- › Cloud-edge security
- › Cyber-security and AI
- › Cyber-threat intelligence
- › Distributed systems security
- › Game-theoretic security
- › Forensics
- › Identity management and access control
- › Insider threats
- › Lightweight cryptography
- › Malicious cryptography
- › Malware detection
- › Moving target defense
- › Network intrusion detection
- › Post-quantum security
- › Privacy and data protection
- › Trust management systems
- › Trusted execution environments
- › Web services security

Cyber resilience

- › AI for resilience management
- › Formal methods in resilience
- › Self-adaptive cyber resilience
- › Attack resilient architectures
- › Cyber-range platforms
- › Cyber-resilience assessment
- › Cyber-resilience foundations
- › Cyber-risk forecasting
- › Cyber-security training
- › Cyber-threat adaptive capacity in IoT
- › DLT resilient architectures
- › Dynamic risk management
- › Fault tolerant architectures
- › Gamification in security
- › Human factor in resilience
- › Operational recovery and continuity
- › Preparation and adaptation strategies
- › Safety-critical applications
- › SDN security

Complex CPS security

- › Automotive cyber security
- › Autonomous systems security
- › Critical infrastructure security
- › Cyber-physical attacks
- › Digital twins and cyber-security
- › eHealth security
- › Embedded systems security
- › Internet of body security
- › ICS security
- › IIoT security and privacy
- › ITS security
- › IoT and cloud forensics
- › Mobile applications security
- › SCADA cyber-security
- › Security-as-a-service
- › Sensor network security
- › Side-channel attacks
- › Smart cities security
- › Smart grid security
- › Virtualization security

Conference chairs

Stavros Shiaeles

Nicholas Kolokotronis

Steering committee

Stavros Shiaeles

Nicholas Kolokotronis

Emanuele Bellini

Ernesto Damiani

Stefano Marrone

Vasilis Katos

Costas Vassilakis

Bogdan Ghita

Giancarlo Fortino

Francesco Flammini

Technical program chairs

Emanuele Bellini

Paul Haskell-Dowland

Bogdan Ghita

Gueltoum Bendiab

Publication chair

Costas Vassilakis

Nathan Clarke

Workshops chairs

Sokratis Katsikas

Konstantinos Limniotis

Contact us

info@ieee-csr.org

The IEEE CSR 2022 conference will accept high-quality regular research papers, Systematization of Knowledge (SoK) papers providing insights in the above areas, and industrial papers promoting contributions on technology development, innovations and implementations. The IEEE CSR 2022 also hosts workshops that specialize into the conference's areas or focus on high-quality applied research and innovation results obtained from cyber-security and resilience projects.

Submitted manuscripts should not exceed 6 pages (plus 2 extra pages, being subject to overlength page charges) and should be of sufficient detail to be evaluated by expert reviewers in the field. Accepted papers will be submitted for inclusion into IEEE Xplore subject to meeting IEEE Xplore's scope and quality requirements. Detailed information about paper submission and guidelines for authors have been posted at IEEE CSR 2022 conference website <https://www.ieee-csr.org>.
